The 10,000 Buddha Relics Collection includes sacred bones of Shakyamuni Buddha as well as tens of thousands of brightly colored crystals found in his ashes after cremation. These relics, also known as shariras, will be on display, as well as those of his family and his closest disciples. Many people experience powerful energy when meditating in the presence of the Buddha's relics.

The showings are free and open to the public. For more information visit: [www.MahaStupa.org](http://www.MahaStupa.org)
